MEMORANDUM FOR: The Executive Secretary, United States Intelligence Board

Following the procedure you suggested in conversation with Mr. Tschirgi of my staff, I would like to request a copy of the USIB report summarizing results of the first annual survey of community intelligence activities, reference recommendation no. 32 of the Joint Study Group Report. This material is needed on or before Wednesday, November 1, in connection with CIA 1963 budget hearings. I would also be grateful if you could authorize General Balmer's staff to share whatever additional USIB materials which they may find appropriate to discuss in the same hearings.

In a broader prospective, the Bureau of the Budget has an interest in receiving USIB documents which reflect major steps in the organization and management of the intelligence community. We would much appreciate an arrangement whereby the Bureau could be regularly distributed such documents on the selective basis indicated.
